This Golf Classic helps to provide funds to further the mission of St. Cecilia School, its teachers, and families. Your generous participation and support is appreciated.

The school has an outstanding tradition in academic achievement and sports, built on Gospel values and faith. Today, our school has upgraded classrooms and computer lab, a wonderful art lab and a well-equipped science lab. The parents, staff and parish members have developed a community of support for the students. Over the past five years St. Cecilia students have consistently won awards in the Laguna Beach Festival of the Arts Junior Art Exhibit, Orange County Imagination Celebration, Chapman University Holocaust Art and Writing Contest, Academic Decathlon and team sports. In 2006, St. Cecilia School received the prestigious No Child Left Behind Blue Ribbon Award for high test scores in reading and math. The school is accredited by the Western Association of Schools and Colleges and Western Catholic Education Association.

We are grateful for your help in making our event a success and look forward to having you become a part of our special event.
