

ST. CECILIA SCHOOL

SCHOOL DIRECTORY/ E-MAIL

We are about to publish the school directory, which includes the students' name and grade, parent's name, address and phone number. The purpose of the directory is:

- To send invitations for birthday parties, etc. (Teachers do not want them passed out at school as to avoid hurting the feelings of those classmates not invited.)
- To call families in your area to arrange carpools to and from school.
- To contact classmates and/or parents of students for homework assignments, class activities, sports etc.

This directory is not to be used for business advertising or financial gain.

Although your e-mail will not be included in the phone directory we ask that once again you print your current e-mail so that we can update our e-mail database. You may enter one for each parent if you wish. If your child has access to your e-mail, please let us know. Also, if you would like to give permission for the Room Mothers to have your email address, please check the box below. Thank you
