

# Adopt a Class Today!

Dear Parents,

St. Cecilia School is pleased with the success of the Adopt a Class Today sponsorship program that links businesses and community partners with our classes. Last year, \$9,500 was raised to enrich the curricular program of our students. The money donated was used by teachers to purchase additional resources for students including listening centers, Academic Decathlon study books, and supplementary math and science materials. This year, several teachers have expressed an interest in purchasing SMART Interactive Whiteboards for their classrooms, and hope to offset the cost of these boards through ACT contributions.

Special thanks to the following 2008-2009 sponsors:
